6. HEALTH HISTORY

The board and the department, as part of its responsibility to protect the health, safety, and welfare of the public, must assess whether an applicant manifests any physical, mental health, or substance use issue that impairs the applicant's ability to meet the eligibility requirements for a health care practitioner as defined in ch. 456, F.S., and the applicable statutory practice acts.

The board and the department support applicants seeking treatment and views effective treatment by a licensed professional as enhancing the applicant's ability to meet the eligibility requirements to practice a health care profession.

Seeking assistance with stress, mild anxiety, situational depression, family or marital issues will not adversely affect the outcome of a Florida health care practitioner application. The board and the department do not request that applicants disclose such assistance.

- 1. During the last two years, have you been treated for or had a recurrence of a diagnosed physical or mental disorder that impaired or impairs your ability to practice? Yes No
- 2. During the last five years, have you been treated for or had a recurrence of a diagnosed substance-related (alcohol or drug) disorder that impaired or impairs your ability to practice? Yes No

If a "Yes" response was provided to any of the questions in this section, provide the following documents directly to the board office:

A letter from a licensed health care practitioner, who is qualified by skill and training to address the condition identified, which explains the impact the condition may have on the ability to practice the profession with reasonable skill and safety. The letter must specify that the applicant is safe to practice the profession without restrictions or specifically indicate the restrictions that are necessary. Documentation provided must be dated within one year of the application date.

A written self-explanation, identifying the medical condition(s) or occurrence(s); and current status.
