INDIVIDUAL REQUEST FOR CONTINUING EDUCATION CREDIT FOR VOLUNTEERS

Rule 64B16-26.103(1)(f), *Florida Administrative Code*, provides that a pharmacist may receive up to 5 hours of continuing education per biennium for volunteer hours with the indigent population. In order to receive continuing education approval, a licensee who volunteers by serving the indigent population (or in a critical need area) must submit this application and any other required documentation. **The licensee must submit the application and receive approval prior to the volunteering; otherwise the licensee will not receive continuing education hours.**

The licensee may receive up to five (5) hours of continuing education per biennium. One (1) hour of credit will be awarded for every two (2) hours worked in the twenty-four (24) months prior to the expiration date of the license.

Directions

Please complete this application in entirety. Disclose the type, nature and extent of services that will be rendered, the facility where the services will be rendered, the number of patients who are expected to receive services, and a statement that indicates the patients being served are indigent. Provide a brief explanation of the services that will be provided to the underserved or critical needs area.

NOTE: If community service is a condition of your discipline that has been imposed by the board, you are not eligible to use these services to complete continuing education requirements.

Please print or type legibly.
