COMMUNITY PHARMACY PERMIT APPLICATION INFORMATION

Whether opening a new establishment, changing locations, or changing owners, a pharmacy permit is required prior to operating in the State of Florida. The permit application must be completed and returned to the Florida Board of Pharmacy with the required fee of \$255.00. The application MUST have the original signatures of the owner or officer of the establishment and the Prescription Department Manager (PDM). If compounding sterile preparations, submit an additional application on Form DH-MQA 1270, "Special Sterile Compounding Permit" and pay the additional permitting fee.

A Community Pharmacy provides outpatient pharmacy services, and is open for a minimum of 20 hours per week unless reduced hours have been approved by the Board. Section 465.018, Florida Statutes, requires a permit holder to designate a pharmacist licensed in the State of Florida as the manager of the prescription department. The Prescription Department Manager (PDM) is responsible for ensuring the pharmacy permittee's compliance with all statutes and rules governing the practice of the profession of pharmacy, including maintenance of all drug records and ensuring the security of the prescription department, and shall competently and diligently exercise their responsibilities as a prescription department manager. Please see Rule 64B16-27.450, F.A.C., for more information.

Section 465.022(4), Florida Statutes, also provides that an application for a pharmacy permit must include the applicant's written policies and procedures for preventing controlled substance dispensing based on fraudulent representations or invalid practitioner-patient relationships. Pursuant to Rule 64B16-28.100(1)(d), F.A.C., the policy and procedure manual for a Community Pharmacy shall contain the procedures implemented to minimize the dispensing of controlled substances based on fraudulent representations as follows:

- 1. Provisions to identify and guard against invalid practitioner-patient relationships.
- 2. Provisions to guard against filling fraudulent prescriptions for controlled substances.
- 3. Provisions to identify prescriptions that are communicated or transmitted legally.
- 4. Provisions to identify the characteristics of a forged or altered prescription.

Application Processing

Please read all application instructions before completing your application.

1) Please mail the application and the \$255.00 application fee (cashier's check or money order made payable to the FLORIDA DEPARTMENT OF HEALTH) to the following address:

Application & Fees:

Department of Health Board of Pharmacy P.O. Box 6320 Tallahassee, Florida 32314-6320

Express Mail ONLY

Department of Health Board of Pharmacy 4052 Bald Cypress Way, Bin C-04 Tallahassee, FL 32399-3254

Within 30 days of receipt of your application and fees, the Board office will notify you of the receipt of your application, any required documents, and your status. If the application is complete, you will be notified that an inspector will contact you to setup an inspection appointment. If your application is incomplete, you will be notified in writing of what is required to make your application complete.

2) Submit fingerprint results

Failure to submit fingerprints will delay your application. All owners, officers, and PDMs are required to submit a set of fingerprints unless the corporation is exempt under Section 465.022, Florida Statutes, for corporations having more than \$100 million of business taxable assets in this state. These corporations are only required to have the PDM to submit fingerprints.

Electronic fingerprint information ("EFI") that has been submitted to the Florida Agency for Health Care Administration may be accessible by the Florida Department of Health for a period of sixty (60) months. If the Department is able to access EFI from AHCA, applicants will not be required to resubmit EFI for additional or new applications submitted during this time period. After sixty (60) months, new electronic fingerprint information must be submitted as part of all applications. Note: If your officer, owner, or PDM has already been fingerprinted at the time you are completing this Community Pharmacy permit application, please ensure to provide the Transaction Control Number (TCN), if known, with the requested information in the application.

Applicants may use any Livescan vendor that has been approved by the Florida Department of Law Enforcement to submit their fingerprints to the department. Please ensure that the Originating Agency Identification (ORI) number is provided to the vendor when you submit your fingerprints. If you do not provide an ORI number or if you provide an incorrect ORI number to the vendor, the Board of Pharmacy will not receive your fingerprint results. The applicant is fully responsible for selecting the vendor and ensuring submission of the prints to the Department.

How do I find a Livescan vendor in order to submit my fingerprints to the Department? The Department of Health accepts electronic fingerprinting service offered by Livescan device vendors that are approved by the Florida Department of Law Enforcement and listed at their site. You can view the vendor options and contact information at:

http://www.floridahealth.gov/licensing-and-regulation/background-screening/livescanservice-providers.html

What information must I provide to the Livescan vendor I choose?

- If you are an applicant seeking a license for any profession regulated by the
 Department of Health, which requires a criminal background search as a condition of
 licensure, you must provide accurate demographic information at the time your
 fingerprints are taken, *including your Social Security number*. The Department will
 not be able to process a submission that does not include your Social Security
 number.
- You must provide the correct ORI number.

Where do I get the ORI number to submit to the vendor?

The ORI number for the pharmacy profession is EDOH4680Z.

Attestation for Business Taxable Assets

• If the applicant has more than \$100 million dollars of business taxable assets in this state, please submit a formal opinion letter from a Certified Public Accountant duly licensed in the state of your principal place of business affirming the corporation has more than \$100 million of business taxable assets in this state for the previous tax year. In lieu of submitting a formal opinion letter from a Certified Public Accountant, the applicant may submit a copy of its Florida Corporate Income/Franchise and Emergency Excise Tax Return (Form F-1120, Effective 01/09).

3) Privacy Statement and Attestation

In order for the Board of Pharmacy Office to receive your Livescan electronic fingerprinting results, you must affirm that you have been provided with and read the attached statement from the Florida Department of Law Enforcement regarding the sharing, retention, and right to challenge incorrect criminal history records, and the "Privacy Statement" document from the Federal Bureau of Investigation. The appropriate form(s) to provide this affirmation are included within Items #1 and #2 of the application.

Licensure Process

Once the application is deemed complete, the Board staff authorizes an inspection. Upon completion of the inspection, the inspector notifies the Board office as to whether the inspection was satisfactory or unsatisfactory. If the inspection is satisfactory, a permit number is issued within 7-10 days. You will receive the actual copy of your license within 7 days. Please wait 7-14 days from your satisfactory inspection before checking on the status of your permit with the Board office.

You may look up your license number on our website at http://www.flhealthsource.com/ under "Verify a License."

The Board recognizes that a delay may exist between the time a pharmacy receives a Florida pharmacy permit and commences to operate. Accordingly, upon receipt of Community Pharmacy permit, a pharmacy may delay commencement of operations in compliance with the requirements provided in Rule 64B16-28.1081, F.A.C.

Drug Enforcement Administration (DEA)

Please note that the DEA will not issue a registration until the Florida Board of Pharmacy has issued a pharmacy permit. More information is available by visiting the DEA website at http://www.DEAdiversion.usdoj.gov, or by contacting them at (800) 667-9752.
