NONRESIDENT PHARMACY PERMIT APPLICATION

July 2016

Nonresident Pharmacy Permit Application Information

Nonresident Pharmacy Registration as authorized by Section 465.0156, F.S., is required for those pharmacies located outside the state and which ships, mails, or delivers a dispensed medicinal drug into this state. In order to dispense medicinal drugs into Florida, the pharmacy and the pharmacist designated as the prescription department manager or equivalent must be licensed in the state of location. This permit does not authorize the nonresident pharmacy to ship, mail, deliver, or dispense, in any manner, a compounded sterile product into Florida.

The permit application must be completed and returned to the Florida Board of Pharmacy with the required fee of \$255.00. The application must have the original signature of the owner or officer of the establishment. You must provide a toll free number, which is available 6 days a week, not less than 40 hours, and the pharmacist must be able to access the patient records.

Definition:

For purposes of this application, when the term "affiliated person" is used, the term shall mean any person who has an ownership interest of 5% or greater in the pharmacy and any person who directly or indirectly manages, oversees, or controls the operation of the pharmacy.
