**Participants in this public meeting should be aware that these proceedings are being recorded.**

Tuesday, August 11, 2015 - Immediately following Full Board meeting

Dr. Mesaros called the meeting to order at 1:37 pm.

**Rule 64B16-26.1031 Vaccine Certification Program, Proposed Language**

- (1) will now reflect the correct name and date of form DH-MQA 1234;
- (2)(c) there is a period after "immunization registry" and the remainder is deleted because that form does not need to be incorporated into the rule;
- (2)(m) adds: The immunization and vaccine guidelines in the February 1, 2015, Adult Immunization Schedule by the United States Centers for Disease Control and Prevention, entitled "Recommended Adult Immunization Schedule -- United States -- 2015." and the remainder is deleted.
- (2)(n) adds: The immunizations or vaccines recommended by the United States Centers for Disease Control and Prevention for international travel as of July 1, 2015.
- (2)(q) adds: State of emergency administration of immunizations or vaccines.

There was discussion around accepting prescriptions for administering vaccinations. Statute 465.189 currently does not permit vaccinations via prescription. Per David Flynn, can be administered if the use of prescriptions is written into the protocol agreement, then it would be acceptable.
