I. Reports

A. Chair's Report - Jeenu Philip, Chair

1. NABP Annual Meeting Update

Discussion:

There was a presentation on the standard of care, where a discussion of the changes of the standard of care was discussed and an overview of the changes Idaho made to their rules regarding the standard of care. NABP will be working with the DEA on the definition of suspicious orders. Dr. Philip opened the floor for the attendees to comment on the NABP Annual Meeting. Dr. Mikhael commented on his concerns of Florida being behind the curve in the progression of the profession. He suggests the state make efforts to stay with the national trends in the profession. Dr. Mesaros commented on the interested parties and the hindrance they place on the profession initiatives in Florida. He suggests the Board could have a substantial impact on the pharmaceutical community nationwide and encourages the Board steps to be a pioneer for the profession.

B. Executive Director's Report – C. Erica White, Executive Director

Discussion:

1. Florida State Health Improvement Plan (SHIP) 2017-202. A copy was provided to the Board for review/

Discussion:

Dr. Mesaros commented on the issues the state will face within the state's objectives. He suggests the documents be used to address the issue the pharmacist face in the state.

2. Staff Update

Discussion:

Introduction of Shay Marcelus as the new Program Operations Administrator for the Board office. Savada Knight, Regulatory Supervisor, will no longer with the board office. Her position will be advertised. The Board office plans to be fully staffed by the July 15, 2018.

3. New/Revised Board Meeting Dates (2018 - 2019)

Discussion:

Erica White confirmed the new dates for all Boar meetings with the Board members.

C. Attorney General's Report - David Flynn, Assistant Attorney General

Discussion:

1. Monthly Rules Report – May 2018

Discussion:

Mr. Harris gave an overview of all the rules that have been adopted and those rules that are now effective. Dr. Mesaros commented on the efforts the board attorneys and board staff put in on getting the rules reviewed.

Mr. Philip commented on the continuing education requirements for the Tripartite Committee and the current individuals who will only receive credit for courses taken before July 01,2018.

Mr. Jackson, FPA, commented on the deadline placed on the continuing education requirements and the effect it will have on the course currently being offered. Mr. Wright asks how will a pharmacist know that a course will not apply toward the continuing education requirement? Mr. Philip states the courses no longer accepted should not be listed in CE broker. Ms. White informed the Board that the Board office plans to send an email blast on July 1 ,2018 to inform individual of the new changes in the rule.

D. Investigative Services Report – Michelle Miller, Pharmaceutical Program Manager

Discussion:

As of June 06, 2018, the inspection for both pharmacies and sterile compounding facilities is at 97% completion. Investigative services anticipate being at 100% completion rate by June 30, 2018. The Bureau of Enforcement would like to see the Board change the rule that will allow the Bureau of Enforcement to issue citations. The Board discussed amending the current rule to allow for the issuance of citations by the inspection staff. Dr. Mesaros is concerned on what process would be utilized to follow up and ensure the violation has been corrected. Mr. Wright distinguishes from the ability to issue a citation when there is no substantial threat to the public and when no substantial treat is present to the public. Mr. Philip suggest the discussion should be referred to the rules committee.

C. Presentation

1. **HB 351 - Obligations of Long Term Care Pharmacies - Ed Bayo, Esq., and Martin R. Dix, Esq.**

Discussion:

Presentation on HB 351, centered on long care pharmacies. Mr. Harris commented on the requirements where the rule may apply. If there is no retail setting then the rule will not apply. If the rule applies, the pharmacist is required to inform the patient of the lower priced alternative. Mr. Harris suggest that each case will have to be evaluated on a case by case basis. Mr. Dix, commented on the provision of the rule and how the rules applies to the daily operation of the

profession. Mrs. Rivera commented on the effects the rule may have on the assisted living facilities. Mr. Wright does not think the rule applies to the long care facilities and voices the issues that may arise if the pharmacist does not know the certain prices to make the required determination of whether a lower alternative is available. Mr. Mikhael wants to clarify that the Board may not give legal advice. Dr. Mesaros commented the process available to the Board to correct issues when a rule has an unintended effect on the profession.

Tab 3: Petitions for Variance or Waiver

1. Orlando Health, Inc., dba Scripts Pharmacy, 2205/18224; Reference: Rule 64B16-28.141, FAC, regarding the waiver of the Requirements for an Automated Pharmacy System in a Community Pharmacy. – A motion was made by Orlando Health, Inc., dba Scripts Pharmacy to withdraw the petition for variance or waiver because petition does not meet the definition of dispensing under the statute and therefore does not require any action from the Board.
2. PetMed Express, Inc., d/b/a 1-800-PetMeds, 2209/54; Reference: Rule 64B16-27 4001, FAC, regarding the waiver of the Direct Supervision requirement which requires supervision by a pharmacist who is on the premises at all time the delegated tasks are being performed by a technician. – A motion was made by PetMed Express, Inc., d/b/a 1-800-PetMeds to withdraw the petition for variance or waiver because the rule allows for remote supervision of the technician when completing delegable tasks.
3. Florida Vocational Institute, 2209/1645; Rule 64B16-26.251, FAC, regarding the waiver of the 61B16-26.351, FAC, regarding the waiver of the deadline for approval for the Pharmacy Technician Training Programs. A motion was made by Dr. Mesaros to deny the petition for variance as moot. The motion was seconded Dr. Hickman.

III. Tab 4: Committee Reports & Actions

1. April 2018 Rules Committee - Jeffrey Mesaros, PharmD, JD, Chair

Discussion:

Dr. Mesaros gave an overview of the last meeting. Mr. Harris gave an overview of the suggested amendments to Rule 64B1-26.351. Mr. Harris suggests that the Board accept the oral amendments from the earlier discussion, reopen the rule for development, and refer the rule to the Rules Committee for development. A motion by Mr. Philip to accept the oral amendments from the earlier discussion, reopen the rule for development, and refer the rule to the Rules Committee for development. The motion was seconded by Bisailon. Motion passes unanimously.

Mr. Harris gave an overview of the suggested amendment to the disciplinary guidelines in Rule 64B16-30.001. Proposed changes are: 1. In paragraph (m) and (n), strike the one-year suspension and add a \$250 fine plus 12 hours of law and rules or MPJE up to one year probation. 2. In paragraph (o), there will be a negligent failure portion and an intentional failure portion of the rule. the violation will be copied here from page 7, paragraph (h), subsection (1) and (2). 3. All one-year suspension will be changed to one-year probation for the first violation. 4. In paragraph (p), the fine will be \$5,000 and suspension of the immunization certification up to one year. A motion was made by Mr. Wright to accept the oral changes discussed in the

earlier Rules Committee. The motion was seconded by Mr. Bisailon. Motion passes unanimously.

Mr. Harris gave an overview of the Rule 64B16-30.003, concerning the Bureau of Enforcement's ability to issue citations. Mr. Harris suggests the Board strike the language in subsection (1) that reads: ...Or for which the substantial threat has been remedied. Mr. Harris suggests the Board strike the language in subsection (2) that reads: ... The department may not issue a citation until the offense has been remedied. Mr. Harris suggests the Board amend the language of the rule to read: Citation can be issued to remedy violation that are not a substantial threat to public health safety and welfare.

A motion was made by Dr. Mikhael to accept the proposed language. The motion was seconded by Mr. Hickman. Motion passes unanimously.

Mr. Harris gave an overview of the suggested adoption of the new proposed rule and the new proposed application regarding Rule 64 B16-28.750 regarding Institutional III Permits.

A motion to adopt the proposed rule and application as proposed was made by Dr. Hickman. The motion was seconded by Mr. Bisailon. Motion passes unanimously

2. April 2018 Legislative Committee – Jennu Philip, BPharm, Chair

Discussion:

Mr. Phillip gave an overview of the rule discussed in the August 2017 meeting.

The October 2017 meeting was geared around collaborative practice agreement in the state of Florida. The December meeting revolved around amending Chapter 465.0075, Licensure by Endorsement and reciprocity of pharmacy technician in Florida. The Board discussed the possibility of reciprocity for pharmacy technicians.

Public Comment:

Celeste Phillips, Secretary of the Florida Department of Health, commented on the issue the state has faced during the past flu season. She wants to discuss future opportunities the Board may have. Mrs. Phillips requests a teleconference with the Board to address issue the state may face within the upcoming flu season. The discussion will be geared toward what actions can be put in place for a collaborative effort to address the issues with the upcoming flu season. Dr. Hickman discussed what opportunities the Board would have to help with the vaccine campaign. Dr. Mikhael commented on the opportunity this vaccine campaign will have to educate the public and hopefully eliminate the need for Tamiflu. Mr. Wright express his concerns about the pharmacist not being able to dispense the generic version of Tamiflu to the patient and the effect it had on the community. The issue will be referenced to the compounding committee.

Kerry Dallin, commented on the variance or waiver of PetMed Express, Inc., d/b/a 1-800-PetMed. He discussed the possibility of adding a pharmacy technician to the Board. He suggests the Board to discuss or follow other states in adding a pharmacy technician to the Board. Mr. Meshad, Mrs. Rivera and Dr. Mikhael commented on the issues presented by adding a pharmacy technician as a new member to the Board. The Board discussed the concerns of having an even number of Board members. Presently, the Board does not feel having a pharmacy technician on the Board would not have a significant effect on the profession presently. However, the Board would support the idea of adding a pharmacy technician in the future as the profession changes regarding the duties of the pharmacy technician.

Dr. Mikhael motions the Board would support the idea of adding a pharmacy technician in the

future as the profession changes regarding the duties of the pharmacy technician as defined by the Board of Pharmacy. Motion seconded by Dr. Hickman. Motion passes unanimously

Ron Salem, suggests the Board meets in Jacksonville, Florida. He suggests the Board make the pharmacist aware of the July 1,2018 deadline for the continuing education. Also, he supports remote supervising of the pharmacy technician with respects to data entry.

A motion to dismiss was made by Dr. Mesaros. Motion was seconded by Dr. Mikhael. The vote passes unanimously.
